NOTE: NOTE: The Oracle Portal should only be used to access documents from NABORS COPROPRATE SERVICES, NABORS ALASKA, NABORS CANADA or SANAD Operating Units. To access documents from any other Nabors entity (NLF2, Canrig etc.) the User should log in to the NSG portal.

NSG 2.0 Resetting A Password

All User now have the ability to reset their own passwords, through the Login Assistance option located on the login page of the Oracle portal. Please note that the password is for use in Oracle portal only. To reset your password in the NSG portal you will still have to contact Vendor Services or your User Admin.

To access the Login Assistance option please follow these instructions.

- Open a new browser and type in www.myNabors.com in the URL line.
- From here click on the Oracle icon (Financials)
- This will open the Oracle login page.

NSG 2.0 Resetting A Password continued

Once on the Login page the user will be able to select the Login Assistance option to access the necessary screens to have a password reset.

[Reset your password](#) and follow the on-screen instructions. This email can be ignored in case you didn't request a password reset, the link is only available for a short time.

NSG 2.0 Resetting A Password continued

The user will enter their User Name, the new password and a confirmation of the new password.

The screenshot shows the Oracle NSG 2.0 'Reset Password' interface. At the top left is the Oracle logo, and at the top right are links for 'Home', 'Preferences', and 'Help'. Below the header, the title 'Reset Password' is displayed, followed by a note: '* Indicates required field' and 'Please enter your username and passwords below. The password you enter below will be used to replace your old password.' The form contains three input fields: 'User Name' with the value 'griffin4055@sbcglobal.net', 'Password' with masked characters and a note '(6 characters or more)', and 'Confirm Your Password' also with masked characters. A 'Confirm Password' button is located below the confirmation field.

Selecting the Confirm Password button will generate the below screen and by clicking on the OK button on the right side of the page the User is redirected to the portal login page.

The screenshot shows the Oracle NSG 2.0 'Confirmation' message. At the top left is the Oracle logo, and at the top right are links for 'Home' and 'Preferences'. Below the header, a green checkmark icon is followed by the text 'Confirmation' and 'The password has been reset; use the new password to login to the system.' An 'OK' button is located in the bottom right corner of the message area.
